

# KEY ISSUES FROM THE COMMUNITY DROP-IN AND STAKEHOLDER CONSULTATION

## Facilities & Services

Key Issues	Details	Evidence	Options		Comments	Action
			Policy Yes/No	Community Action Yes/No		
<b>Village Shop</b>	<p>Village shop (one person agreed with this comment)</p> <p>Small general store</p> <p>Lack of a shop</p> <p>Needs a local shop</p> <p>Although we didn't use the shop a lot we do miss it! and the post Office</p> <p>Local shop would be useful, including off-licence</p> <p>As the village is in the Leicestershire Round it would be a great addition to have a community shop with quality produce (one person agreed to this comment)</p> <p>Village store needed</p> <p>Some form of local shop</p> <p>Would be nice to have:</p>	<p>Needs developing</p> <p>Population data available from last census. (See RCC sharepoint –Dunton Bassett Parish profile)</p>	Yes		<p>There seems to be strong support for a community run shop that would be multipurpose. Eg also Farm shop &amp; Café.</p> <p>General impression that post office shop area was too small and too limited!</p> <p>Possible tie in with local farm shop for sourcing locally produced produce</p>	<p>Further investigate demand through questionnaire and willingness to volunteer &amp; participate in running</p> <p>Look at possible sites/premises.</p> <p>Investigate other local community shops and how they operate</p>

	general store/ shop/ Deli of some description					
<b>Local Shop/ Village Facility</b>	<p>Villagers would like to see a local shop – could be more than shop, diversify as a hub/post office/café/library</p> <p>Ways of facilitating set up of shop/post office/village facility?</p> <p>Possible site for a community shop</p>	HDC Infrastructure Plan 2017			Possible funding available from developer	Develop DB infrastructure plan as part of NP
<b>Facilities</b>	Existing facilities need to be improved taking all age groups into consideration from the very young to the very old	Planning Policy Guidance 17 – planning for open space, sport and recreation	Yes			<p>Research through questionnaire</p> <p>Investigate Sport England funding</p>
<b>Post Office</b>	<p>Post office</p> <p>Lack of post office</p> <p>Need a post office</p> <p>Post office needed</p> <p>Some form of post office</p> <p>Post office missed</p>			Yes	Although alternative Post Office facilities are available less than 2km away this requires transport.	Investigate visiting mobile post office
<b>Facilities for older children/ youngsters</b>	We need more facilities for older children in the village as the play area is	Planning Policy Guidance 17 – planning for open space, sport	Yes		Possible tie in with football club	Investigate outdoor gym area with suitable equipment

	<p>too young for them, exercise equipment would be very useful</p> <p>Playground good but more for older ones for football etc, possible exercise equipment</p> <p>How about a youth group/ regular games night for teenagers?</p> <p>Provision for youngsters</p> <p>More outdoor spaces for older children/ young adults</p>	and recreation		Yes		<p>Find location for area suitable for ball games etc.</p> <p>Develop NP policies to facilitate recreational infrastructure</p>
<b>Young Families</b>	What do young families want access to?					Investigate through questionnaire
<b>Café</b>	<p>Café (one person agreed with this comment)</p> <p>As the village is in the Leicestershire Round it would be a great addition to have a community café with quality produce (one person agreed to this comment)</p> <p>Some form of café</p>				<p>Combine with community shop initiative</p> <p>Could DBA be encouraged to open for tea/coffee etc?</p>	Investigate demand through questionnaire
<b>School</b>	School needs money spending on it. Only just copes with numbers now. This needs addressing before any more houses	HDC Infrastructure Plan 2017			Any development will release additional school funding. The likely impact of more children in DB is that	

	are built. Would be nice to have: more space for school				catchment area would reduce.	
<b>Sports Facilities</b>	Would like to have a larger space – for sports/ ball games including adult/youth exercise equipment  A multi-purpose football/ basketball court would be ideal  Area on the park maybe for playing football				See above comments on facilities for older children	
<b>Play Space</b>	Need additional play space for older children with more space – skate park, outdoor gym  Playground is very important - would like to own site/secure future				See above comments on facilities for older children	Part of NP policy  Secure long term playground site.
<b>Village Hall</b>	Village hall is inadequate to serve on a proper community centre  Village hall activities Saturday night theatre, film night, music quiz, dancers like Ullesthorpe			Yes	Village hall is well used for wide variety of events. Potential to also use football club facility which has a bar with a Saturday night licence.	Encourage more local events/clubs to use village facilities and put on events.
<b>Chemist</b>	Chemist		No	No	Local chemists will deliver prescriptions	None
<b>Scout Hut</b>	Scout hut		No		Could potentially use village hall	
<b>Section 106</b>	Section 106 money – used		Yes			Lobby to ensure

<b>Money</b>	towards multipurpose facility?					S106 or CIL funds are used within village to improve infrastructure.
<b>Small Businesses</b>	Need more sympathetic planning process to help small businesses set up using housing stock if necessary		Yes			Develop NP policies to encourage small businesses/self-employed within village without affecting village character or causing traffic issues. Encourage larger businesses onto business park at Cosby Hill away from village centre.
